### C – THE TRAWANGAN JOURNEY FULL DAY GILI TRAWANGAN ESCAPE 0830am-0500pm

Lombok island offers great holiday interests and the beautiful small islands on the west coast of Lombok "The Gilis Island" is one of it. Gili Air, Gili Meno, and Gili Trawangan all these small islands have been inhabited by local people since decades ago with the main subsystem of fishing on the coast of west Lombok. The beauty of Gilis' beaches has been well known in the world, which is the best for snorkelling, scuba diving, and or just relaxing on the island far from the hassle of business life. Your journeys start by a short drive to Bangsal Beach for your short outrigger boating to the Gili Trawangan. A stopover made at the Bukit Malimbu viewing the picturesque 3 Gili Island from the distance. The island is now appears to head the list as the most popular island amongst the 3 gilis.

*The word Lombok comes from the Indonesian word for "Chilli". Slightly smaller than Bali, Lombok measures 4739 sq km and is therefore, virtually impossible to circumnavigate in one day.*

*Lombok Island is only a 15-minute flight (or a ferry trip) from Bali, which possesses one of the highest volcanic mountain in the Indonesian archipelago, Mount Rindjani, whose cloud-piercing peak soars to 3745m (12,290ft).*

*If you are looking for real adventure yet at the same time want a truly relaxing holiday away from your daily hassle*
